Greetings from the Chair

Fall has arrived, Halloween has come and gone, Thanksgiving and Christmas are right around the corner and all of us are scrambling to get our holiday sales shipped, billed and collected. By the time you read this newsletter almost half of my term as your Steering Committee Chairman will be over.

In the past six months GAIN has become a New York State Not-For-Profit Corporation and we have revised our corporate Bylaws and Membership Rules. Your Steering Committee and Professional Development Committee are presently hard at work planning the next annual conference to be held in the Phoenix, AZ area from My 11 -13, 2011. Registration is already open for the hotel. Now is the time to start planning to attend.

On behalf of all of the committee chairmen I would like to make an appeal to all members to volunteer your time to assist the group. We are in need of articles for the newsletter, we need members to work on the Membership committee and we are looking for mentors for the Professional Development Committee. Just a little bit of your time is all we are asking for.

In closing I would like to thank the ABC-Amega staff; without whom GAIN could not manage. They are always available when I call and are will be there for you.

Wishing you all a great holiday season,

Larry Lederman
